Nornubari Kiobel

Skills Summary

A highly passionate and motivated individual eager to contribute exceptional design skills and a strong work ethic within the interior design industry.

Work Experience

DSM Designs

2025-Present

Designer

- Develop detailed shop drawings and floor plans using SketchUp Pro
- Coordinate with clients and the production team to ensure accuracy and alignment with project requirements
- Facilitate the design process by selecting samples

Internship Experience

Flooring America

2024

- Calculated square footage and determined material quantity from blueprints using an architectural scale
- Independently performed in-home consultation, measure, and window treatment presentation
- Utilized RFMS software to design and model client room layouts and calculate flooring
- Created a floorplan and perspective renderings in Chief Architect with assistance

Volunteer Experience

Reach Church

2016-2023

Children Ministry Assistant Leader

- Successfully collaborated with a variety of people to coordinate lesson plans and manage childcare responsibilities.

Education

Interior Design AAS

Des Moines Area Community College

2022-2024

3.9 GPA
